IMPORTANT INFORMATION

California law requires you to pay an annual branch license renewal fee for each branch office that you fit or sell hearing aids. If you fail to renew your license by the expiration date, it will become delinquent. You may not practice at a branch office with a delinquent license.

- You must have a current hearing aid dispenser or dispensing audiologist license in order to maintain a branch office license.
- Your branch license cannot be transferred to a different address.
- If you change the location of your branch office, you must apply for a new branch license.
- If you no longer dispense from this location, please email the Board at speechandhearing@dca.ca.gov to cancel.

DISPLAY OF LICENSE

A licensee is required to display their license in a conspicuous place in their primary place of business.
